Reads

37. What resources (e.g., personnel, supplies, computer, etc.) will be needed to complete necessary activities related to the quality data input and data collection of the program? In addition to a narrative description, the funds dedicated to evaluation should be reflected in the budget. Further, if electing to use a standardized tool for evaluation and not proposing use of a national model, expenses for the purchase of the tool, training to use it, and staff to complete the data collection must be included in the budget request.
